This September, The Friends are hosting nutritional programs at the Rincon Library with collaboration and cooperation of Livermore Eat More Vegetables. Livermore! Eat. More. Vegetables. (LEMV) was founded in 2022 by local Livermore residents looking to give back to our community and positively impact the health and well-being of everyone living in our city.

Providing evidence based dietary support, resources, and recipes to grow and eat more vegetables. To learn more about this new and wonderful organization check out their blog to read their delicious recipes: <https://www.lemv.org/blog>

- The Quitters consist of a right-side up finger picker (Stevie Coyle), an upside down flat picker (Glenn "Houston" Pomianek), and an upright bassist (Chris Kee). They were three original members of The Waybacks quintet, and Chris Kee and Glenn Houston were the long-time bassist and lead guitarist for Houston Jones. Now they play together, on their own, hence the name, "The Quitters". They deliver a memorable performance spiced with humor and serendipity.
