4 WHEEL BOB

A FILM BY TAL SKLOOT

“An engaging documentary about cherishing the great outdoors—and getting the most out of your life.”

—David Lewis, *San Francisco Chronicle*

4 WHEEL BOB tells the story of 60-year-old Bob Coomber, an intrepid adventurer who sets out to be the first wheelchair hiker to cross the Sierra Nevada.

An excellent resource for leading positive discussions about overcoming obstacles and adversity, 4 WHEEL BOB will inspire audiences to look at their own self-imposed limitations and reach beyond what they think is possible.
